

Horse Corrals Use Policy

Welcome. We have built these corrals to encourage Nez Perce use of the property and support the traditional presence of horses for ceremonies and celebrations. Please respect the following:

- Contact our office to register when you will be using the facility (541)886-3101 or info@wallowanezperce.org
- We recommend bringing your own watering trough.
- Clean manure from stalls daily. Bring your own pitch fork and wheelbarrow to remove waste to the designated pile.
- Not more than two horses per stall.
- Limit your stay to 4 days unless otherwise arranged.
- Corral use is by donation. We suggest \$10.00/day per horse.
- The exercise pen is for shared use, be courteous.
- Please report any damage.
- Use weed free hay.

FACILITY USE IS AT YOUR OWN RISK
